LET IT SNOW!

Record snowfall brought out the 'kid' in all of us on New Year's Day as the young and young-at-heart took a break from riding and did some sliding!

Everything from muck buckets to snow shovels brought new meaning to the term 'sliding' in the outdoor arena. You may recognize the smiling face of Kali Deatherage, Bub's groomer, but can you spot Becky joining in the fun?

CONGRATULATIONS

to Dillon Livingston on the purchase of Kickin Attire. Watch for Dillon & 'Attire' in APHA and NRHA Youth Events!

CLINICS & EVENTS

The Andrea Simons Horsemanship/ Showmanship clinic hosted in December brought a new level of expertise to 16 riders from Utah and Western Colorado. Simons, from Aubrey, Texas has earned too many World Championship titles to list and holds APHA, NSBA, NRHA, AQHA and ApHC judge's cards. We had more interest than space so we hope to bring her back again in the spring.

The Reining 101 Series has proven very popular and space is limited. Call Becky at 970.596.7699 to reserve your spot today!
